

Complete your BSc (Hons.) in just three years

The Emirates Academy of Hospitality Management introduces a new fast-track degree

THE EMIRATES ACADEMY
OF HOSPITALITY MANAGEMENT

In academic association with Ecole hôtelière de Lausanne

The Emirates Academy of Hospitality Management provides high performing students with the opportunity to complete their studies in just three years. This option offers significant savings of up to one year's accommodation and living expenses, and allows graduates to enter the workforce one year earlier.

Students on the fast-track degree will take up to five full courses per trimester, thereby completing their degree in as little as three full years. They will need to retain a Grade Point Average (GPA) of 3.0 or better (out of a possible 4.0). Students who drop below a GPA of 3.0 will take 4 courses per semester.
