Our six month courses begin in February and in September. The EFL course consists of 20 classroom hours plus a minimum of 10 supervised independent study hours per week. We offer a 48 Hour TOEFL Preparation Course that gives students the test-taking strategies they need to succeed on the paper-based TOEFL (ITP). The course takes place during the last month of each 6 month intensive EFL programme, plus we also give this course at other times during the year depending on the demand. Please call for details regarding dates and times.

English as a Foreign Language

TOEFL Preparation
Dubai has witnessed tremendous growth, particularly in the hospitality, travel and tourism sectors. It is now firmly established as a high quality destination for business and leisure travellers alike. Although Dubai is located in the Middle East, the population is truly international and the vast majority of people speak excellent English. Dubai is a fun and wonderful place to study, live and work.

English as a Foreign Language
If you are planning to undertake a course of study in a college or university that conducts its classes in English, you must first raise your English proficiency level in order to succeed both academically and professionally.

Study English in our beautiful, elegant, relaxed surroundings under the tutelage of native speakers. Our classes are truly multi-cultural as our students come from all over the world to study with us. Our unique international environment allows you to join communities of students from your own country as well as make new friends from other cultures, culminating in an extraordinary learning experience.

English is the international language of commerce. By learning English you are not just opening the doors of communication with people from native English-speaking countries, but with people from all over the world.

Our native-speaking English teachers use a dynamic and modern approach utilising course books, audio-visual aids, games, role-plays, written assignments and specially-created materials. Our focus is on developing the four language skills of reading, writing, listening and speaking plus building your confidence in real-life situations.

Our goal is to help you reach the required proficiency to do your very best on TOEFL, the very first time you take it.

We are pleased to announce that The Emirates Academy of Hospitality Management is an approved ETS Authorized TOEFL iBT Center for the purpose of administering the iBT TOEFL. Please contact us for more details.

Are you ready to succeed?
